

## TJC Apache Band Advising

Below are the band classes as listed in the computer for the fall semester, when they meet, and who should sign up for each class. Please schedule these classes first, before scheduling your other academic or major classes. If you find a conflict, have your advisor contact the band hall. Remember, you must be enrolled in the classes you agreed to on your scholarship agreement form in order to receive scholarship money.

All **Freshman Music Majors** need to be advised by Mrs. Mensch before you register for classes at orientation. Call the band hall at 903-510-2242 and schedule a time.

**The following classes will be determined by auditions during the first week of August.**

**Option 1:** Register for the class and drop it later if you are not selected for that ensemble. In order to keep your 12 hours for your scholarship, make sure you have enough hours registered or have a back-up class you would like to take in case you need to drop.

**Option 2:** Mark off the time slots for the ensemble(s) you “think” you will be in, schedule your other classes around those time slots, and add the class(es) later once the audition results have been posted.
