A letter from the TJC President and CEO

Dear Family and Friends,

It is my honor to welcome you to Belle Land, home of the Internationally Famous Apache Belles! The Tyler Junior College Apache Belles continue to be a symbol of beauty, grace, and unparalleled talent, and it is for this reason that Family Weekly has hailed them as “the prettiest drill team in the world,” attributing this special recognition to Apache Belles everywhere.

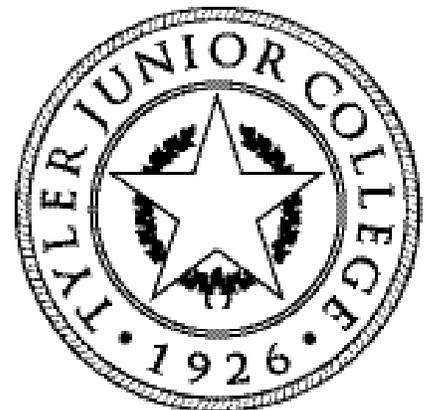

The Apache Belles are synonymous with the values of our beloved institution, which include Unity, Caring, Integrity, Empowerment, and Excellence, and serve as ambassadors throughout the world of Apache Nation and the Black and Gold.

As a United TJC, I invite you to fellowship, reconnect, and embrace the long-standing 76- year history, and please express wholehearted appreciation to the very special leaders who have worked tirelessly and collaboratively to see the 2024 Apache Belle Spring Show become a reality.

To continue honoring the Circle – Ladies and gentleman, please help me welcome the 76th and 77th lines of none other than the Internationally Famous Apache Belles!

The 76th Line

76th Line,

You have taken up the mantle as you were charged to do when you became an Apache Belle and as you complete your journey this weekend and take your final bow, please know how proud we are of the strides that you have made along the way.

Each of you have talents and abilities that make you unique. It is these unique talents that come together and shape your line and, ultimately, your experiences as an Apache Belle.

We pray that your life is blessed and that this is only the beginning of your journey on a road that will lead back to Tyler and the Apache Belles each year.

I love watching you dance your heart out every time you perform. Doing our daily good luck handshake at practice is the best part of my day. You made my sophomore year such a bittersweet experience and definitely one to remember. You have worked so hard and continued to push through it all.
