

ATTENTION MEN: Thinking about a new career?

The modern workplace has changed and many men have found very fulfilling careers in “non-traditional” fields that allow them to perform vital services for others.

If you are contemplating a new career, consider:
Dental Hygiene, Health Information Technology, Medical Laboratory Technology, Medical Office Technology, Medical Transcription, Nursing, Child Development/Early Childhood, Paralegal, Surgical Technology, Vision Care

Funds for books and supplies to study in these fields may be available to you.

Tyler Junior College can help YOU move into a new career.

Mission Statement: To provide a comprehensive collegiate experience that is anchored in the rich traditions of a quality education, vibrant student life and community service. Accreditation: Tyler Junior College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Tyler Junior College. General inquiries about Tyler Junior College admission requirements, financial aid, educational programs or other offerings should be directed to the College and not the Commission. Tyler Junior College gives equal consideration to all applicants for admission, employment and participation in its programs and activities without regard to race, creed, color, national origin, religion, gender, age, marital status, disability, veteran status or limited English proficiency (LEP). Tyler Junior College respects the legal rights of each person to work and learn in an environment that is free from unlawful sexual discrimination including sexual harassment and sexual violence.
