Attire: Twirling Suit

Make sure that your makeup and hair is TJC appropriate. If you need guidance look to the image of our current Feature Twirlers.

Use your solo to display a variety of your strengths and personality. Solo performances must include one, two and three baton sections. Include more if you are capable.

You will be judged on technique and performance. To be a feature twirler, you cannot just be technically sound. You must be able to capture the attention of the audience with your performance.

Length must be within 3:30-5:00 minutes.

A lengthy interview will take place after you perform your solo. At any time, judges and panel may ask to see something again or to see additional tricks on the spot.
