1.2 Objective of this Request for Proposal

Tyler Junior College (“TJC”) is soliciting proposals in response to this Request for Proposal, RFP No. J2120-22-05 (this “RFP”), from qualified vendors to provide the College with a donor and alumni database management software (the “Services”). These Services are more specifically described in Section 4 (Scope of Work).

All information contained in this RFP is believed to be substantially correct. However, the responsibility for determining the full extent of the services required, and verification of all information herein shall rest solely with those making proposals. Neither the College nor its representatives shall be responsible for any error or omission in this RFP.

1.3 Public Information

Proposer is hereby notified that TJC strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information.

TJC may seek to protect from disclosure all information submitted in response to this RFP until such time as a final agreement is executed.

Upon execution of a final agreement, TJC will consider all information, documentation, and other materials requested to be submitted in response to this RFP, to be of a non-
confidential and non-proprietary nature and, therefore, subject to public disclosure under the Texas Public Information Act (Government Code, Chapter 552.001, et seq.). Proposer will be advised of a request for public information that implicates their materials and will have the opportunity to raise any objections to disclosure to the Texas Attorney General. Certain information may be protected from release under Sections 552.101, 552.110, 552.113, and 552.131, Government Code.

1.4 Service Agreement

Proposers should be aware that the contents of the successful proposal will become a part of the subsequent contractual documents. Failure of the Proposer to accept this obligation may result in the cancellation of any award.

By submitting a proposal, Proposer further warrants and represents that he/she has become fully acquainted with the conditions, facts, and circumstances relating to providing the services/products required under this RFP. The failure or omission of Proposer to acquaint himself/herself with existing conditions, facts, and circumstances, shall in no way relieve him/her of any obligation with respect to his/her proposal and any ensuing contract.

The services/coverages/products requested are currently anticipated to commence sometime in Spring 2022.

Each Proposer acknowledges that the College has made a reasonable attempt to provide the Proposer with relevant data. The Proposer, therefore, waives any right of voidance of the contract based upon any expressed or implied warranty or representation that the pricing or activity data provided discloses all requirements, risks or exposures known to exist in the provision of the services being requested.

1.5 Clarifications and Interpretations

TJC may, in its sole discretion, respond in writing to written inquiries concerning this RFP. Only TJC’s responses that are made by formal written Addenda will be binding on TJC. Any verbal responses, written interpretations or clarifications other than Addenda to this RFP will be without legal effect. All Addenda issued by TJC prior to the Submittal Deadline will be and are hereby incorporated as a part of this RFP for all purposes.

Proposers are required to in writing acknowledge receipt of each Addendum. Failure to do so may result in disqualification. It is the Proposer’s responsibility to make sure they have obtained all Addenda. Addenda, if any, will be posted on TJC’s website at http://www.tjc.edu/rfp.

1.6 Proposal Evaluation Process

The evaluation of the Proposals shall be based on the requirements and percentages described in this RFP. All properly submitted Proposals will be reviewed, evaluated, and ranked by TJC.

TJC will select Contractor by using the competitive proposal process described in this Section. Any proposals that are not submitted/ emailed by the Submittal Date or that are not accompanied by the number of completed and signed originals by this RFP can be rejected by TJC as non-responsive due to material failure to comply with advertised
specifications. After receipt of the proposals and upon completion of the initial review and evaluation of the proposals, TJC may invite one or more selected Proposers to participate in a demonstration. TJC will use commercially reasonable efforts to avoid public disclosure of the contents of a proposal prior to selection of Contractor.

TJC may make the selection of Contractor on the basis of the proposals initially submitted, without discussion, clarification or modification. In the alternative, TJC may make the selection of Contractor on the basis of negotiation with any of the Proposers. In conducting such negotiations, TJC will use commercially reasonable efforts to avoid disclosing the contents of competing proposals.

At TJC's sole option and discretion, TJC may discuss and negotiate all elements of the proposals submitted by selected Proposers within a specified competitive range. For purposes of negotiation, TJC may establish, after an initial review of the proposals, a competitive range of acceptable or potentially acceptable proposals composed of the highest rated proposal(s). In that event, TJC will defer further action on proposals not included within the competitive range pending the selection of Contractor; provided, however, TJC reserves the right to include additional proposals in the competitive range if deemed to be in the best interests of TJC.

After submission of a proposal but before final selection of Contractor is made, TJC may permit a Proposer to revise its proposal in order to obtain the Proposer's best and final offer. In that event, representations made by Proposer in its revised proposal, including price and fee quotes, will be binding on Proposer. TJC will provide each Proposer within the competitive range with an equal opportunity for discussion and revision of its proposal. TJC is not obligated to select the Proposer offering the most attractive economic terms if that Proposer is not the most advantageous to TJC overall, as determined by TJC.

TJC reserves the right to (a) enter into an agreement for all or any portion of the requirements and specifications set forth in this RFP with one or more Proposers, (b) reject any and all proposals and re-solicit proposals, or (c) reject any and all proposals and temporarily or permanently abandon this selection process, if deemed to be in the best interests of TJC. Proposer is hereby notified that TJC will maintain in its files concerning this RFP a written record of the basis upon which a selection, if any, is made by TJC.

1.7 TJC’s Reservation of Rights/Unbalanced Proposal

TJC may evaluate the Proposals based on the anticipated completion of all or any portion of the Project. TJC reserves the right to divide the Project into multiple parts, to reject any and all Proposals and re-solicit for new Qualifications, or to reject any and all Proposals and temporarily or permanently abandon the Project. TJC makes no representations, written or oral, that it will enter into any form of agreement with any respondent to this RFP for any project and no such representation is intended or should be construed by the issuance of this RFP. Acceptance of a Proposal for consideration does not waive this reservation of rights, nor does it imply any obligation by TJC.

If the best proposer’s Proposal is significantly unbalanced either in excess of or below reasonable cost analysis values normally associated with the work, the Proposal will be considered as non-responsive and will not be considered for award. The College reserves the right to evaluate and determine the next qualified Proposal for consideration of Award.
1.8 **Proposer’s Acceptance of Evaluation Methodology**

By submitting a proposal, Proposer acknowledges (1) Proposer’s acceptance of the Proposal Evaluation Process, and (2) Proposer’s recognition that some subjective judgments must be made by TJC during this RFP process.

1.9 **No Reimbursement for Costs**

Proposer acknowledges and accepts that any costs incurred from the Proposer’s participation in this RFP shall be at the sole risk and responsibility of the Proposer. Proposer understands and agrees that (1) this RFP is a solicitation for proposals and TJC has made no representation written or oral that one or more agreements with TJC will be awarded under this RFP; (2) TJC issues this RFP predicated on TJC’s anticipated requirements for the Services, and TJC has made no representation, written or oral, that any particular scope of services will actually be required by TJC; and (3) Proposer will bear, as its sole risk and responsibility, any cost that arises from Proposer’s preparation of a proposal in response to this RFP.

1.10 **Eligible Respondents**

Only individual firms or lawfully-formed business organizations may apply. (This does not preclude a respondent from using consultants.) TJC will contract only with the individual firm or formal organization that submits a Proposal in accordance with the requirements set forth herein.

1.11 **Sales and Use Taxes**

Section 151.311, Tax Code, as amended effective October 1, 1993, permits the purchase free of state sales and use taxes of tangible personal property to be incorporated into realty in the performance of a contract for an improvement to realty for certain exempt entities that include junior college districts. The section further permits the purchase tax free of tangible personal property (other than machinery or equipment and its accessories and repair and replacement parts) for use in the performance of such a contract if the property is “necessary and essential for the performance of the contract” and “completely consumed at the job site.” In addition, the section permits the purchase tax free of a tangible service for use in the performance of such a contract if the service is performed at the job site and if “the contract expressly requires the specific service to be provided or purchased by the person performing the contract” or “the service is integral to the performance of the contract.”

1.12 **Certification of Franchise Tax Status**

Respondents are advised that the successful respondent will be required to submit certification of franchise tax status as required by State Law (H.B. 175, Acts 70th Leg. R.S., 1987, Ch. 283, p. 3242). The Respondent further agrees that each subcontractor and supplier under contract will also provide a certification of franchise tax status.
1.13 Proposal Validity Period

Each proposal must state that it will remain valid for TJC’s acceptance for a minimum of one-hundred-twenty (120) days after the Submittal Deadline to allow time for evaluation, selection, and any unforeseen delays.

1.14 Equal Opportunity Employer

TJC is an equal opportunity employer and does not discriminate in awarding contracts or employment of persons because of their race, sex, age, religion, national origin, veteran, disabled or handicap status or any other characteristic protected by law. TJC requires companies with which it conducts business to be equal opportunity employers and comply with all applicable federal, state and municipal laws and regulations regarding contracting and employment practices.

1.15 House Bill 1295

The Texas Legislature adopted House Bill 1295, which was added to Section 2252.908 of the Government Code. The law states that a governmental entity agency or state agency may not enter into certain contracts with a business entity unless the business submits a disclosure of interested parties (Form 1295). This disclosure requirement applies to a contract entered into on or after January 1, 2016.

If awarded a contract, the vendor may be required to complete and submit this form. TJC will be unable to execute and services cannot be performed until the process is complete.

A protest must be made in writing and submitted to the Campus Services, no later than five (5) business days after the date of the letter sent by the College notifying the vendor that it is not going to be offered a contract or giving notice that the College will not be purchasing goods from it. This review and final determination may be made with the assistance of legal counsel. The written determination shall be made within ten (10) business days of the receipt of the protest unless legal counsel notifies protestor that additional time is needed. The decision shall be final.

The awarded vendor will be subject to the following and may be required to fill out an appropriate document stating such.

1.17  Felony Conviction Notification

Bidders are hereby notified that in accordance with Section 44.034 of the Texas Education Code, a person or business entity that enters into a contract with Tyler Junior College must give notice to College if the person or an owner or operator of the business entity has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony. Furthermore, the College may terminate a contract with a person or business entity if the College determines that the person or business entity failed to give this notice or misrepresented the conduct resulting in the conviction. This requirement does not apply to a publicly-held corporation.

It shall be the
sole responsibility of Contractor to fully comply with the HEA with respect to all work and services performed under the agreement. To the extent that Contractor, its employees, agents, subcontractors or representatives violate the HEA in any way, Contractor will agree to indemnify, hold harmless, and defend College, its Board of Trustees, and employees for any and all damages, claims, fines, penalties, causes of action, lawsuits, attorneys’ fees, costs, injuries or liability arising from or related to such violation.

1.21 **Israel**

In accordance with the Texas Government Code Section 2270.002, Bidder represents and verifies that it does not, and will not during the term of the contract, if awarded, boycott Israel and that Bidder is not identified by the Texas Comptroller as boycotting Israel. “Boycott” as used herein means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

1.22 **Debarment**

Bidder confirms that neither Bidder nor its Principals are suspended, debarred, proposed for debarment, declared ineligible, or voluntarily excluded from the award of contracts from United States (“U.S.”) federal government Procurement or Nonprocurement Programs, or are listed in the List of Parties Excluded from Federal Procurement or Nonprocurement Programs (http://www.epls.gov/) issued by the U.S. General Services Administration. “Principals” means officers, directors, owners, partners, and persons having primary management or supervisory responsibilities within a business entity (e.g. general manager, plant manager, head of a subsidiary, division or business segment, and similar positions). Bidder further certifies that it is not identified on the Texas Comptroller’s list of scrutinized companies doing business with Sudan or Iran or a list of companies known to have contracts with or to provide services or supplies to a foreign terrorist organization. Bidder will provide immediate written notification to TJC if at any time prior to award Contractor learns that this certification was erroneous when submitted or has become erroneous by reason of changed circumstances. This certification is a material representation of fact upon which reliance will be placed when TJC executes an Agreement, if any. If it is later determined that Bidder knowingly rendered an erroneous certification, in addition to the other remedies available to TJC, TJC may terminate the Agreement, if awarded, for default by Bidder.

1.23 **HECVAT Compliance**

Proposers are hereby notified that they will be required to complete a HECVAT assessment before an award is made, and to comply with the privacy and security requirements associated with HECVAT. 1.24 **Verification Regarding Boycotting Energy Companies**

Pursuant to Chapter 2274, Texas Government Code, Contractor verifies (1) it does not boycott energy companies, and (2) it will not boycott energy companies during the term of this Agreement. Contractor acknowledges this Agreement may be terminated and
payment withheld if this verification is inaccurate. (Note: This provision only applies in a contract that (1) has a value of $100,000 or more that is to be paid wholly or partly from public funds and (2) is with a for-profit entity, not including a sole proprietorship, that has ten (10) or more full-time employees.)

Vendor agrees that the requirements of this section will be included in all subawards, including all contracts and purchase orders for work or products under this award, to the greatest extent practicable under a Federal award. (Purchases that are made with non-Federal funds or grants are excluded from the Buy American Act). Vendor certifies that it is in compliance with all applicable provisions of the Buy American Act.
