Theatre Etiquette 101

Texting or talking or surfing or checking or gaming...
Eating or drinking or popping or cracking or smacking...
Unwrapping or tearing or ripping...
Crying or cooing or gurgling...
Is rude!

But, why?

It's theatre! Live actors and a live audience
hear and see and are distracted and the entire
wonderful event is spoiled by a few...or one.

What can you do?

Laugh, cry and applaud at the appropriate places. Respect the
performers and fellow audience members. You'll have a more
enjoyable theatre experience!
