

Need money for college?

We have nearly \$4 million in scholarships available.

Applying is easy!

Scholarships are awarded in the spring for the following academic year. Priority deadline is April 1.

1

Go to www.tjc.edu/scholarships.

2

Click on the link to fill out the online scholarship application.

3

Click on **Sign In** located at the top right of the page.

4

Enter your TJC student ID and password. This will be the same user name and password you use to log in to Apache Access.

If you have trouble logging in, please contact the IT Service Desk at 903-510-3269.

5

When applying be sure to answer every question. Try to not leave anything blank.

Additionally, there are four essay questions. Confirm you have reviewed your essays to ensure you have corrected any grammatical errors. You will want to make sure your essays are decent in length.

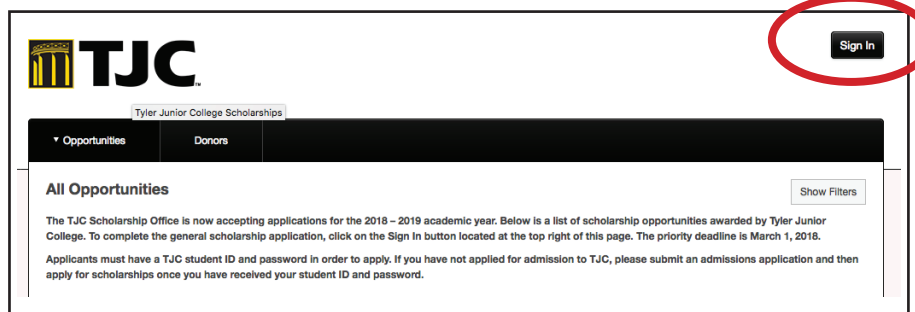

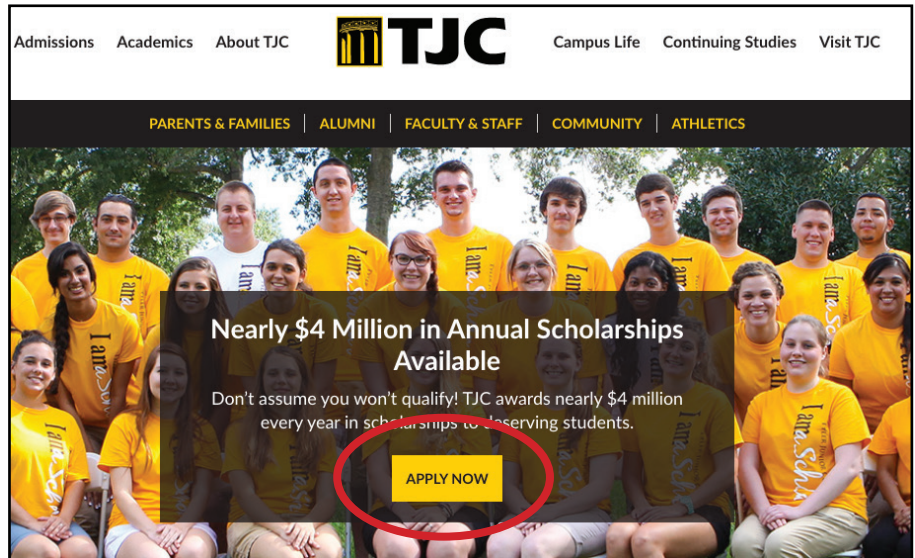

6

Complete the general scholarship application. You may save your application and return later by clicking **Save and Keep Editing**.

If you are finished with your application, click **Finish and Continue**.

A completed application means that:

- 1) you have completed and submitted the general scholarship application,
- 2) all transcripts from other colleges are on file with TJC.
