

## Try Something New!

### **Growing Orchids 101**

**\$39**

Orchids are beautiful and fascinating with their unique forms, colors, and characteristics. Discuss more in depth the topic of orchids, their growth and existence in Texas, basic care, and cultural requirements. Different potting materials and resources will be discussed and the course will include a potting demonstration. Blooming-size orchid is included.  
Mondays • March 31 – April 7 • 6-9 p.m.

### **Introduction to Foil Fencing**

**\$99**

The development of fencing techniques and the history of the sword are interlinked. This introductory course is designed to teach the fundamentals of classical and modern-style fencing with an emphasis on the classic Italian methodology. The basics can be learned quickly, and your enjoyment of the sport will grow as you learn the history of swordsmanship, blade and footwork, as well as competitive tactics and strategies.  
Tuesdays • April 1 – May 6 • 6-7:30 p.m.

### **Intermediate Foil Fencing**

**\$60**

This course is a continuation of the introductory course with a higher level of advanced offensive and defensive fencing tactics and strategies.  
Tuesdays • April 1 – May 6 • 6-7:30 p.m.

### **Watercolor Intermediate**

**\$55**

Create several paintings of specific subject matter. This course is a combination of visual lecture, demonstration, and hands-on studio where students will continue to learn the fundamentals of color mixing, composition and light.  
Mondays • April 7 – May 12 • 6-8 p.m.

### **The Art of Jewelry Making – Wire Crochet and Viking Knit**

**\$39**

With the right tools and a little imagination, you'll be creating beautiful one-of-a-kind jewelry in no time! In this four-week course, you will master the art of crochet & knit using wire to create beautiful viking knit chains and wire crocheted necklaces and bracelets.  
Tuesdays • April 8 – 29 • 6-8 p.m.

### **Advanced Floral Design**

**\$95**

Embrace a more in-depth understanding of modern floral designed practices and techniques used in the retail and floral industry. You will expand your understanding of floral theory in terracing, parallelism, new convention, and formal linear design techniques and mechanics.  
Tuesdays • April 8 – May 6 • 9:30-11:30 a.m.  
Wednesdays • April 9 – May 7 • 6-8 p.m.

### **Fun to Crochet Hat & Scarf**

**\$39**

Learn to crochet your very own sassy hat and scarf with your own two hands! In this course, you will learn how to read a pattern and create a stadium wrap and coordinating hat.  
Mondays • April 14 – May 5 • 6-7:30 p.m.

### **Japanese Writing for Beginners**

**\$49**

Expand your conversational skills and develop your reading and writing skills in two styles of basic Japanese alphabets: Hiragana and Katakana. Cultural awareness that influences this language will also be covered.  
Thursdays • April 10 – May 29 • 6:30-8 p.m.

### **Easy to Make Edible Gifts**

**\$29**

Impress your family and friends! Create your very own edible gifts and treats that are fun, delicious, quick and easy! You will enjoy a small sampling of the completed projects, take home recipes that can be recreated, plus great presentation ideas!  
Tuesday • April 29 • 6-8:30 p.m.
