NATURE OF THE OCCUPATION

Dental Hygienist

The Bachelor of Science in Dental Hygiene program at TJC is the only one of its kind offered at a community college in Texas. This program is designed for licensed dental hygienists seeking a bachelor's degree.

A bachelor's degree in dental hygiene offers multiple career opportunities in a variety of settings. In addition to treating patients directly, dental hygienists work as educators, researchers, community project coordinators, and administrators.

Curriculum

This curriculum leads to a Bachelor of Science Degree in Dental Hygiene (BSDH). Enrollment is limited to accepted applicants. The application process is outlined in this document. TJC holds full accreditation from the Southern Association of Colleges and Schools to award baccalaureate degrees. Whether the individual's interest is working in a general or specialized dental office, dental clinic, public health, schools or research, the program provides the student with the advanced knowledge to further his or her professional and educational needs.

The BSDH completion courses are offered fully online to better accommodate distance learners.

**If you have a passion for the dental profession
and are interested in expanding your knowledge and job opportunities,
we can help you put those aspirations to work.**

ADMISSION PROCESS

The BSDH Program accepts applications throughout the year. Applications must be submitted through the online submission form. We do not accept applications sent through mail, e-mail, fax or hand delivery. The application must be fully processed at least two weeks prior to the start of the semester that you plan to register for classes.

Classes can be started in fall, spring or summer.

Before submitting a selective admissions application to the BSDH Program, you must:

- be accepted as a TJC student and have an A Number (student ID)
- be within 12 hours of core completion
- have an active RDH License OR be eligible for licensure
- have a cumulative GPA of 2.5 or higher

STEPS TO APPLY ONLINE

1. Apply for General Admission to TJC

In order to apply to the BSDH Program, you must have been accepted as a TJC student. Your application to TJC can be completed and submitted online: www.tjc.edu/admissions

2. Submit Official College Transcripts to Registrar's Office

- IF TJC is the ONLY college you have attended, this step does not need to be completed.
- IF you have been enrolled in any other college, you will need to submit official transcripts to the TJC registrar's office from every college you have attended.
- IF you have previously submitted a transcript and no additional course work was completed at that college since your submission, you do not need to resubmit.
- IF you previously submitted a transcript and have completed additional coursework you will need to submit an updated transcript to the registrar's office.

3. Complete a Transcript Evaluation Request

- IF TJC is the ONLY college you have attended, this step does not need to be completed.
- IF you have submitted official transcripts to the TJC registrar's office, from another college or submitted an updated transcript from another college you need to complete the evaluation request form. www.tjc.edu/info/20006/academics/26/transcripts/2
Please allow up to 6 weeks for the registrar's office to evaluate and post transcripts to Degree Works.

Only courses posted on your transcript will be considered. Courses that are "in progress" at the time of submission will not be applied to your completed core classes.

4. Submit Application Using Online Submission Form

You will use ONLY the online submission form to upload and submit all documents for your application.

- Applications submitted through the online submission form must be in a PDF format.
- All documents for your application must be uploaded and sent in one submission.
- An automatic confirmation will appear when you successfully submit your application.

THOSE WITH AN ACTIVE RDH LICENSE:

SELECTION PROCESS

Space is limited by class size. All applications will be processed and applicants will be notified via their TJC email account regarding acceptance, based on space availability. If the class is full, applicants will be given options to apply for the following semester.

Confirmation Agreement

If you are offered a position in the program (via TJC email), a confirmation agreement will be attached to your email notification. You must complete the confirmation agreement and email it back to Julie Mettlen (jmet@tjc.edu) to secure your position in the program. Signed confirmation agreements must be submitted to the BSDH dental hygiene office by the deadline given in the email. Failure to submit confirmation could result in the forfeiture of your position.
